DISCOVER SCUBA DIVING WITH CALYPSO

See the Great Barrier Reef as you've never seen it before. Un underwater wonderland just waiting for you to discover!

For \$240 per adult, you can have the AWESOME experience of scuba diving**.

Our highly experienced and friendly Dive Masters will ensure you have the experience of your lifetime aboard Calypso Snorkel and Dive. If you love it, you will get the opportunity to do extra dives at the cost of \$40 each.

Or, you can simply choose to snorkel at our two other breathtaking sites at Opal reef!

Did you know.....

Some of the privately owned land north of the Alexandra Range is being progressively purchased for conservation purposes under a \$15 million government scheme involving equal contributions from the local council, QLD government and Australian Federal Government.
